Regional Transportation Committee

Meeting date: November 3, 2026

Agenda Item #: 4 (Attachment B)

Transportation Advisory Committee Guidelines Update

Agenda item type: Action

Summary
Proposed revisions to the DRCOG Committee Guidelines (*Committee Policy, Guidelines, and Descriptions*) to reflect expanded boundaries of the metropolitan planning organization.

Background
The DRCOG Committee Guidelines outline committee membership, rules, and responsibilities for DRCOG committees, including the Transportation Advisory Committee. This document was last amended in July 2026. As a result of the recent approval of the expansion of the metropolitan planning organization boundary to encompass Clear Creek and Gilpin counties, DRCOG staff are proposing the following updates:

- Removal of the non-MPO area seat previously represented by Clear Creek and Gilpin counties.
- Addition of one local government member (and one alternate) representing jurisdictions in each of Clear Creek and Gilpin counties.

No other changes are proposed for the remaining local government, regional partner, or special interest seats. For example, TAC currently has 38 voting members (and two non-voting members), and quorum is currently 20 members. The proposed changes will add one local government voting member (for a total of 39 voting members), meaning quorum will not change.

Action by others
October 26, 2026 – Transportation Advisory Committee recommended adoption.

Previous discussion/action
None.

Recommendation
Move to recommend to the Board of Directors the proposed revisions to the TAC section of the DRCOG Committee Guidelines.

Attachment(s)
1. Staff presentation.
2. TAC Guidelines (track changes).
